

Dawson Community College  
Fall 2006 Student Art Exhibit  
Awards/prizes presentation Artists' Reception and Refreshments

Dawson Community College is pleased and proud to present 83 works of art created this fall semester 2006 by 36 artists. This exhibit is the result of artwork created in Brent Nelson's Welding course, Andrew Wheatcroft's Oil/Acrylic Painting course, and Gretchen Bederman's Drawing I, Foundations of Art, and Watercolor I courses. Among the artists on display, we have aspiring educators, social workers, engineers, botanists, mathematicians, computer technicians, ranchers, ecologists, accountants, radiologists, electricians, nurses, business managers, life long learners full into their careers, and art majors who have put pencil to paper, brush to canvas, and fire to metal to explore the visual arts. We hope that you enjoy and benefit from viewing their offerings.

Jurors

Jackie Schultz, Kathleen Fritsch, & Mike Hunter.
