Request for Summer Financial Aid

Student Name: _____ DCC ID#: _____

Email: _____ Ph#: _____

Students interested in requesting financial aid for the summer term can submit this form once they have registered for all their summer courses. Please review the summary bullets below to ensure you understand the limitations and rules of receiving summer aid. If you agree to these conditions, please indicate the type(s) of aid you're interested in receiving in the box(es) below and return the signed copy of this form to the financial aid office.

- Summer enrollment is attached as a "trailer" to the preceding academic year. Therefore, financial aid eligibility for **summer 2021** is determined based on the information from the 2020-2021 FAFSA application. The 2020-2021FAFSA must be submitted no later than June 30, 2021.

  o   NOTE: Students may be asked to complete the upcoming year's (2021-2022) FAFSA to qualify for additional funding.

- Federal funds have yearly and aggregate limits which cannot be exceeded. If you've already received the maximum amount, you may not be eligible for additional funds in the summer.

- Some summer funding is limited and is awarded on a first-come, first-serve basis.

- Every student requesting summer financial aid is manually reviewed before being awarded. This includes an audit of your summer enrollment. **You will only be funded for the credits that apply toward your degree.** For example, if you are taking 12 credits in the summer but only 6 credits apply toward your degree, you will be funded for the 6 degree credits.

- **Students are required to notify our office if their enrollment changes.**
