The U. S. Department of Education has selected your child's application for a process known as "verification." As a result, we are required to confirm the accuracy of some of the information provided on your child's FAFSA. When completing it, you indicated that you did not, and will not, be filing a 2018 Federal Tax Return. To verify that the earned income reported on the FAFSA is accurate, you must submit to the Financial Aid Office this completed worksheet, copies of all 2018 W-2(s).
