Your Personal Rate of Return: Your Personal Rate of Return measures the investment performance of your account. It incorporates the timing of your additions and withdrawals and reflects commissions and fees paid. Certain events, including a transfer of an investment between accounts, share class conversion, or change in an investment's identification code (CUSIP) caused by a corporate action, will impact the time frame over which the investment's rate of return is calculated.

Information used to calculate performance may have been obtained from third parties and Edward Jones cannot guarantee the accuracy of such information.

The amount you may be eligible to borrow may differ from your approved credit. Borrowing against securities has its risks and is not appropriate for everyone. If the value of your collateral declines, you may be required to deposit cash or additional securities, or the securities in your account may be sold to meet the margin call. A minimum account value is required if you have loan features on your account. Your interest will begin to accrue from the date of the loan and be charged to the account. Your interest rate will vary depending on the assets under care of your Edward Jones Pricing Group. For more information on how your interest rate is calculated, contact your financial advisor or please visit: www.edwardjones.com/disclosures/marginloans

DAWSON COMMUNITY COLLEGE TO HOLD MONTANA LAW ENFORCEMENT ACADEMY PROGRAM ON CAMPUS

GLENDIVE, MONT. – February 24, 2020 – Under an agreement with the Montana Law Enforcement Academy (MLEA) and Montana Public Safety Officer Standards and Training Council (POST), Dawson Community College will begin holding the Pre-Trial Basic Academy on the College's campus.

The Pre-Trial Basic Academy is for a new classification of officer, identified by MLEA/POST as Misdemeanor Probation and Pre-Trial Services. MLEA/POST hosted the first Pre-Trial Basic Academy in Helena in 2019.

"We're very pleased that the Montana Law Enforcement Academy and Peace Officer Standards and Training Council partnered with DCC on this opportunity," said Rick SyWassink, DCC Criminal Justice instructor. "Any type of training that Dawson is able to offer will help strengthen the law enforcement agencies throughout the state. Resources are often limited, especially in many of the smaller police departments and sheriff's offices. Providing another option for training can help ease that burden on departments and officers' families."

The Pre-Trial Basic Academy consists of 140 hours of instructional time; 20 hours are completed online, and the rest are in the classroom. There are over 30 topics covered in the course, including, but not limited to, ethics, constitutional law, dangerous drugs, supervising sex offenders, self-defense, and motivational interviewing. DCC will not only be providing classroom space and room and board for attendees, but instructors and instruction as well. The first Pre-Trial Basic Academy hosted by DCC will begin in June.

For more information, contact Rick SyWassink at 406-377-9432 or rsywassink@dawson.edu.
