

Summary of Student Rights and Responsibilities

Student Rights:

- Equal access to Dawson Community College programs and services
- Reasonable accommodations
- Confidentiality of all information pertaining to your disability
- Assistance from Dawson Community College in removing any physical, academic, and attitudinal barriers

Dawson Community College Rights:

- Request third party documentation for clarification of disability and reasonable accommodations, academic adjustments, and services
- Select among effective accommodations
- Deny unreasonable accommodations, adjustments, and service requests that impose a fundamental alteration on a program or activity of the College or are considered “personal” in nature

Student Responsibilities:

- Identify yourself to DCC staff and meet with the Dean of Student Success
- Provide third party documentation if requested
- Assume responsibility for utilizing accommodations and notify the Dean of Student Success, faculty, etc. when requesting accommodations
- Provide for your personal independent living needs or other personal disability-related needs

Dawson Community College Responsibilities:

- Respond to requests on a timely basis
- Maintain appropriate confidentiality of records and communication except where permitted or required by law
- Provide or arrange reasonable accommodations, academic adjustments, and services

I read and understand my rights and responsibilities.
