

Associate of Arts Degree Elementary Education Emphasis

The Associate of Arts Degree, Elementary Education Emphasis is designed for students to complete their general education core as well as complete lower level courses in elementary education for transfer to a university. Related teaching areas include pre-K, kindergarten, special education and middle school endorsement. In this program, a student will work with both the education advisor and consult the catalog of the school to which they intend to transfer to enroll in courses in the teaching option area.
