BP 6-8a: Information Technology

_____

_____

The computing resources and electronic information at Dawson Community College (DCC) support the educational, instructional, research, and administrative activities of the College and the use of these resources is a privilege extended to members of the DCC community. A user of these services and facilities has access to valuable College resources, sensitive data, and internal and external networks. Such access imposes certain responsibilities and obligations and is granted subject to College policies and procedures and local, state and federal laws. Disciplinary action may result if an individual is found to be in violation of College policies and procedures.

SCOPE   This policy applies to Dawson Community College.

PROCEDURES   The College President shall promulgate such procedures as may be needed to implement this policy.
