

BP 4-1: Educational Program Review

BOARD POLICY BP 4-1

APPROVED: August 1, 2011

EFFECTIVE: August 1, 2011

REFERENCES: Board of Regents Policy 303.3

In the interest of efficient and accountable academic planning, a comprehensive review will be completed on each educational program in the institution. This review will be completed every three years, unless circumstances such as declining enrollment mandate an immediate review. This process will include systematically gathered information regarding the program, courses comprising the curriculum, and their efficacy. The information gathered in the review process will be utilized for curricular modification and for making other decisions regarding the educational program within the scope of the institution's mission.

SCOPE	This policy applies to Dawson Community College.
