

## Adult/ Teen Summer Programs

### Stained Glass Creations \$99

with Mike Hunter Sat June 17 8 am—4 pm  
In an intro to working with stained glass, students explore glass cutting and learn to build a panel using copper foil and soldering methods.

**Basic supplies included!**

### Watercolor \$363.00 3 Credits

with Jennifer Wheeler May 30—August 5

**Tues and Thurs 5:30 —8:30 pm**

Start with the basics of color mixing and color theory. Advance to form, light and shadow and then complete compositions while having fun with this *gorgeous* medium!

### Model Rocket Building For Teens

**\$89 June 10-11 1-3 pm**

with Chris Ingram

We will build rockets and launch pads, discuss technical aspects, combustion and safety. On the final day we will meet off site and launch our projectiles! Site TBA. **Supplies Included!**

### Lawn Ornament Butterfly \$149

May 25 6-8 pm May 26, 27 1-3pm

with Chris Ingram

Learn the basics of welding as you artfully arrange ordinary horseshoes into a whimsical butterfly for you garden! Each butterfly will have slightly different characteristics and winged postures and will be a unique expressive element for artful display outdoors. **Basic Supplies Included!**

### Beginner Crochet Class \$89

With Crystal Ingram

June 7, 14, 21, 28 6:30– 8:30 pm

Learn basic stitches, start and stop, and granny squares to complete on your own.

**Supplies Provided!**

### Free Kids Movie Night!

July 22 6 pm

1 Ticket for every child that registered for a summer class.

## Summer Children's Exhibition

Sat July 29 5-7pm

**Summer Community Art  
Education Program**  
Children and Teen Programs  
Adult Classes and Workshops!

## **Week 1 May 30 – June 2** **The Art of Books \$125**

with Amy Muir (Ages 5–8) **9 am–12 pm**

Let's get together at the [Glendive Public Library](#) and make cool stuff! Story time first, then projects based on those exciting tales. Make your own Rainbow Fish, your own life sized Wild Thing, and share your favorite illustrated books with each other!

## **Summertime Clay and Rocks \$125**

with Jennifer Wheeler (Ages 6 –8) **1 pm–4 pm**

Make bakeable clay creations in a rainbow of colors with glitter and shimmer effects! Collect your own smooth rocks, clean 'em up, and paint a collection of designs. Make a whole "family" of rocks in a collection, or paint a different theme on each one.

## **Lil' Buccaneers \$125**

with Amy Muir (Ages 3-5) **1pm–4pm**

Come and be a pirate for a week as we make durable fun foam swords (and practice our swordplay), eye patches, papier mache parrots for our shoulders, and even pipe cleaner hooks for our hands! We will also "build" our own 2-D treasure chests, complete with overflowing treasure! Practice your best "AAArrrrgh!"

## **Week 2 June 5—June 9** **Undersea Adventures \$125**

with Amy Muir (Ages 6-9) **9 am–12 pm**

If you are fascinated with all things underwater and oceanic, then this camp is for you! We will learn about the habits of your favorite underwater creatures, as we make kinetic soft sculpture jellyfish, mixed media wall hangings, stickers and magnets, clay critters, and more! Bubble up with happiness as we craft and create our way through the week!

## **Asian Arts and Tea Party \$125**

with Jennifer Wheeler (Ages 7–10) **1 pm —4 pm**

Learn the Legend of the Beckoning Cat, and then make your own sculpture out of papier mache. Make beautiful, elaborate Uchiwa fans, learn the art of Chinese Watercolor, and study the legend of the Blue Willow china pattern before making your very own version on a decorative plate! This fun and educational class will be remembered for a lifetime, and on the last day of class, we will have an (iced) tea party, and all of our snacks will be eaten with *chop sticks!*

## **Week 3 June 19—June 23** **Unbelievable Bugs! \$125**

With Marissa Herbaugh (Ages 7-10) **9 am–12 pm**

On our first day of class we will make a sturdy Field Journal – a place to record all our findings! Each explorer will be outfitted with a magnifying glass, a butterfly net, and a jar to help us with our scientific discoveries. We will take a nature walk every day, catch some samples, and bring them back to the art studio to draw, paint, diagram, and label with different mediums. In addition to our journals, we will make papier mache sculptures, jointed laminated creatures, elaborate hand puppets, and more!

## **Princess Camp \$125**

with Amy Muir (Ages 6–9) **1 pm–4 pm**

Do you have a favorite Disney Princess, or do you just love them all? In this magical summer camp, we will build projects around every princess – from Belle to Ariel! Create all things bejeweled and sparkling from crowns to magic faerie wands. Wear your favorite princess costume on the last day of class for an unbelievable princess tea party with snacks!

## **Week 4 June 26—June 30** **Wonderful Wizards \$125**

with Marissa Herbaugh (Ages 9-11) **9 am–12 pm**

Step into a world of wizardry and magic with the wonderful wizards camp! On this magical journey, we'll craft our very own wizard caps, grow mystical crystals, decorate wands for casting magical spells, and even make felt wizard friends! Get ready to have a magical time!

## **Rockin' Robots and Awesome Aliens!** **\$125**

with Jennifer Wheeler (Ages 5-9) **1 pm–4 pm**

Join us for an out of this world adventure where we'll make papier mache robots complete with control panels and "lights" (jewels), create a poster design for an impossible robotic machine that will do whatever you can imagine it can, as well as create stickers, magnets, hand puppets, and more! Have fun all week exploring projects that involve the weirdly wonderful world of outer space!

## **Week 5 July 10—July 14**

### **Ancient Egyptian Adventures \$125**

with Jennifer Wheeler (Ages 7–10) **9 am–12 pm**

Let's learn all about the mysteries of Ancient Egypt, when Pharaohs ruled their world! We'll sew our own linen wrapped mummies, and make elaborately gilded and painted sarcophagi – even add jewels if you like. We will also make animal headed canopic jars, complete with the proper human organs (sculpted, of course), Egyptian God puppets, and bakeable clay scarabs dusted in gold in this highly educational class!

### **Hooray for Hawaii! \$125**

with Marissa Herbaugh (Ages 5–8) **1 pm–4 pm**

Everyone dreams of a tropical vacation to an exotic land. Explore the culture and art of Polynesia while creating exotic treasures. We'll craft printed wall hangings, sculpt fierce tiki warrior masks, string shark-tooth and seashell necklaces, and make leis, grass skirts, and arm bands for that true tropical vibe. On the last day we'll show off our hula skills at a luau picnic complete with fun and fruity snacks!

## **Week 6 July 17—July 21** **Castles and Dragons \$125**

with Jennifer Wheeler (Ages 6-10) **9 am–12 pm**

This class will take us to faraway lands while we create our own 3-D sculptures of dragons, build tough, durable swords and shields! We will decorate our shields with crests of our own invention, create multi-media wall hangings that tell an enchanted story, and even make potion bottles that would make Merlin jealous! Let's go back to another time as we learn about all things medieval!

### **The Art of Comics for Teens! \$125**

with Jennifer Wheeler (Ages 9-17) **1 pm —4 pm**

Learn the art of succinct storytelling through picture panels—word optional! Discover various ways pages are divided by panels, and investigate how other artists have explored the techniques of sequential art. Experiment on new ideas all week, or create an extended project that you add to each day in this art educational camp for older kids and teens.
